Girl Scout Cookie Sale Set Feb. 11

The annual Girl Scout Cookie sale will begin Feb. 11 and continue through Feb. 23.

The sale represents the only money making project which the Girl Scouts undertake for the support of their council. Funds from the Community Chest do not cover the expenses of the council, thus the cookie sale has been adopted to help defray the cost of personnel and camping expenditures.

In the Torrance area alone there are 97 troops; 59 are Brownie troops; 36 are intermediate and junior high troops; and 3 are senior high troops. These troops serve some 1695 girls.

El Camino President Honored In Resolution by Supervisors

A resolution paying tribute to President Forrest G. Murdock of El Camino College for his major contributions to the people of Los Angeles County through his 42 years of public service as an educator and civic leader was adopted by the board of supervisors Tuesday.

Unanimously adopted by the supervisors, the resolution notes that Murdock has announced his intention of retiring at the close of the current college year. He was extended the best wishes of the board on

his forthcoming retirement. Authored by Supervisor Kenneth Hahn, whose district includes El Camino College, the resolution briefly reviews Murdock's career as superintendent of the Centinella Valley Union High School district and the role which he played in the formation of the El Camino College district.

Murdock is the first and only president of El Camino College, which has grown from its original enrollment of 1100 in 1947 to 9600. Its campus, housing 14 permanent buildings, is considered one of the most beautiful in California.

The educator also has been active in civic and community affairs, the resolution notes, including service on the board of directors of the Salvation Army and YMCA.

The resolution is now being prepared in scroll form to be presented to Murdock.
